

Bio^M events – Munich area

▪ BayOConnect

BayOConnect, a new edition of FORUM Science & Health, is tailored to bring together all players in Bavaria's biotech community. The focus is on sustainable growth, fostering entrepreneurship and building connections with Investors. The event will serve as a dynamic platform for addressing current challenges and opportunities through diverse event formats and networking activities.

Target Group: biotech entrepreneurs, start-ups, SMEs, pharma industry; investors, VC, BioAngels, family offices; healthcare professionals, researchers, employees & executives from universities, research institutes, clinics; service providers in medical biotechnology; players from interface sectors, e.g. high-tech, digital health, nanotech, etc.

About 200-250 participants.

Date: 2-3 July 2024, Venue: Design Offices München Macherei
